Item No. 4 Any other matters with the permission of the chair.

The chairman requested the members to give their inputs for the betterment of the quality of education imparted to the students.

The members opinioned that the students can be provided high quality world class education by introducing online courses by experts in the industry.

The members also opinioned that inclusion of more practical exposure in the form of projects, internships and field trips will help the students understand the requirements of the industry better.

The session ended with thanks by chairman to all the members for attending the meeting
